

Lewiston Farmers Market Vendors:

Thank you for your interest in Lewiston's Farmers Market!

Downtown Lewiston is committed to making our farmers market a fun and 'fruitful' event for all.

In order to accomplish this, a few changes have been made for the 2011 season.

- Fee Schedule: \$25 for four consecutive weeks or \$15 daily drop in
- Market Hours: Wednesdays 3-6 PM, June – October in 'D' Street Parking Lot

Hours were altered as a result of vendor and consumer feedback to better accommodate peak consumer traffic times. The continuation of an on-site market manager/support staff will help to increase the organizational and operational function of the market.

In addition to the 2011 market policies and application, you will find information from the health department and tax commission enclosed.

Our goal is to have a safe and successful farmers market. We hope you will join us!

Sincerely,

A handwritten signature in blue ink that reads "Breanne Durham".
